

World Water Day 2025

Date: 22nd March 2025

Venue: Smart classroom, HCDG College

A programme was organized by IQAC, HCDG College, Nitaipukhuri on 22nd March 2025 on occasion of World Water Day to raise awareness about the importance of fresh water and to advocate for its sustainable management. The programme aims to highlight the challenges related to water scarcity and inspire action to address the global water crisis. Mr. Bitul Saikia, Assistant Professor, Department of Political Science and Mr. Horan Bhuyan, Assistant Professor, Department of History as a resource person delivered speech on the theme 'glacier preservation'. Total 12 students participated in the programme. At the end of the programme, the coordinators of IQAC Dr. Gitamoni Handique Gogoi thanked the resource person, office staff, all teachers and students for their gracious presence.
